And this year we are honored and excited to welcome our very special guest for the Cruise to Mayberry 15, **Clint "Leon" Howard.** The Jinx was good luck for Clint Howard. It was also the name of the Andy Griffith Show episode where Clint made his professional debut. What's followed is a remarkable fifty-nine year acting career that's been enjoyed by generations all over the globe. Unique early roles in Star Trek, Bonanza and the hit TV series Gentle Ben, gave fans a glimpse into his future as a preeminent character actor. As an adult, Clints's work in independent films (Ice Cream Man, Evilspeak) complimented roles in studio hits such as Apollo 13 and Waterboy. And to think it all started with little Leon and a peanut butter and jelly sandwich.

We will depart from Fort Lauderdale on Sunday and cruise to: Nassau, Amber Cove and Grand Turk with two "Fun Days" at sea before returning to Fort Lauderdale on Saturday.
